

Tyler Tysdal - Denver Resident and Entrepreneur

Tyler Tysdal, a Denver resident, is an entrepreneur. He first discovered the joys of self-employment when he was 14. *Tyler T. Tysdal* also known as "Ty", was a baseball card collector and trader. His entrepreneurial spirit inspired him to start Triple T's Sports Collectibles. This national mail-order trading and memorabilia company found a large audience through trade magazines.

Tyler Tysdal - Pre Internet Business Prodigy

While market inefficiencies were numerous in this pre-internet era, a young Tyler Tysdal experienced his first big business win with \$14,000 a month of profit result. That's a lot of money for 14. It struck him while he was riding with his mom to the Post Office to mail hundreds of cards. He knew that he would be an entrepreneur and investor for the rest of his life.

Where is Tyler Tysdal Today? Tyler Tysdal 2021

Now, it's been 30 years since Tyler Tysdal made his prediction about lifelong self-employment. Tyler Tysdal, co-founder and managing Director of Freedom Factory in Denver, helps other entrepreneurs sell their businesses to maximize their value when they're ready to live a life of freedom.

Freedom Factory - World's Best Business Brokers

Freedom Factory brings Tyler Tysdal's decades-long experience as an investment banker, SEC expert and private equity fund investor to bear on behalf of other entrepreneurs who are following the same path.

**When is
the Right
Time to
Sell Your
Business**

Tyler Tysdal, an entrepreneur's entrepreneur, has worked with over 50 companies and helped them exit. Because he's been there, he knows what business owners face, the fears that keep them awake at night, and the triumphs that propel them forward.

Tyler Tysdal earned his reputation by doing his homework and paying attention. After earning a finance degree from Georgetown University, Tysdal entered investment banking.

Tyler worked at Alex Brown & Sons primarily on mergers and acquisitions. This included buying and selling private businesses and raising equity capital and debt capital to support them.

Tyler Tysdal Investment Banking and Private Equity Funds

As an investment banker, Tyler Tysdal recalls sitting across the table from founders and CEOs of some of the world's most famous companies and wishing he were in their place. He was able to learn the intricacies behind financial modeling, valuations, and how to sell companies for capital.

He also discovered that there was often a disconnect between entrepreneurs and investment bankers. Bankers rarely have to worry about missing payroll, or any of the other concerns that business owners face all too often.

Tysdal realized that he wanted to be an entrepreneur and not a banker who works with investors.

Tysdal, who had previously worked in investment banking, enrolled at Harvard Business School (HBS), to complete his Masters of Business Administration (MBA) program.

Tyler Tysdal Harvard MBA Helped Launch His Entrepreneurial Endeavors

Tysdal was an entrepreneur at his core and stood out from his peers. Today, Tysdal recognizes that Harvard does not require an MBA to be a successful entrepreneur. However, he appreciates the inspiration from his brilliant Harvard peers. The education helped him launch his entrepreneurial endeavors and expand his knowledge to assist other entrepreneurs.

Tyler Tysdal brought his investment experience, his business degree and his entrepreneurial spirit to test his business acumen.

New Investors and Private Companies

Tyler Tysdal has founded or funded numerous companies over the years that range from innovative to highly ambitious.

Walmart has established a network of healthcare clinics that provide acute care.

This company specializes in providing storage spaces for recreational vehicles.

A luxury sports suite club that leases suites at professional sporting venues.

A company that makes organic fertilizers. They broke the code of organic farming technology and have expanded throughout the eastern United States.

Leesa Mattress, this business combined high-quality home bedding with a visionary social purpose to "end all forms of bedlessness." It donated a mattress to in need populations for every ten mattresses it sold.

Tysdal Featured on Fox Business News

Tysdal was a managing partner and owner of venture capital and private equity firms over the years. He has also been an entrepreneur raising capital to start his own companies. Tysdal started his career in investment banking, working on Initial Public Offerings (IPO) and mergers & acquisitions. Tysdal worked as both a buy-side and sell-side agent on deals for businesses with revenues ranging from \$100,000 up to \$1 billion.

Ty is an investor who has managed assets and financial backed many other entrepreneurs and investors. Ty has managed or co-managed \$1.7 billion of assets for ultra-wealthy family members and helped to create millions of wealth for his private equity investors.

Tyler Tysdal believes that entrepreneurship is the key to success. He knows that self-starters create jobs and wealth, and are the biggest source of economic success in the United States as well as worldwide. Freedom is a titlecard with great value.

Tyler Tysdal's Passion for Business

Tysdal loves entrepreneurs.

Tysdal is passionate about helping other entrepreneurs achieve their financial and personal goals. Tysdal often helps them sell their businesses for maximum value.

Tyler Tysdal - Husband, and Father. Spending Time With Family

Tyler Tysdal's His love for entrepreneurship is just as strong as it was when he rode to the post office with mom many years ago. As his own life experience has allowed him to do so, Tysdal wants to "free entrepreneurs".

Tysdal spends his time with his wife when he's not talking to business owners or prospective buyers. Natalie Tysdal (a former Fox News Anchor and Journalist), with their three children in Denver, Colorado.
